### Modern Apartment Living In The Heart Of St Kilda

If you're on the hunt for inner-city lifestyle within walking distance to everything St Kilda is famous for, then look no further!

Boasting two bedrooms, both with built-in robes, and one bathroom, this modern apartment is perfectly suited to young couples looking to crack into the property market or savvy investors wanting to add a solid asset to their portfolio.

The heart of this apartment has been designed to make the most of the space on offer with a chic one-wall kitchen and open-plan meals and lounge area that flows out to a covered balcony. Here, you can capture the evening sun while hosting friends for cocktails before heading out to any one of the nearby restaurants and bars or the famous Acland Street.

This apartment also offers split-system air-conditioning, a secure underground carpark plus storage cage and intercom security for extra piece of mind. The new owners will also enjoy an easy 15-minute commute into the CBD by car or just 25-minutes by public transport.

Be quick and don't miss out! Contact us today to arrange for an inspection!
